

## NATIONAL SYMPOSIUM – 2026

**“Scientific and Community-led Approaches for Sustainable Utilization and Management of Animal Genetic Resources towards Viksit Bharat@2047”**

**XXIII Annual Convention of Society for Conservation of Domestic Animal Biodiversity (SOC DAB)**

**8 – 9 April, 2026**

*Organized by*

**Society for Conservation of Domestic Animal Biodiversity (SOC DAB)**

*in collaboration with*

**ICAR–National Bureau of Animal Genetic Resources (NBAGR)**

**Karnal-132001, Haryana, India**

### About the Symposium

The National Symposium aims to provide a premier platform for scientists, academicians, policymakers, industry stakeholders, young researchers, and students to deliberate on recent scientific advances, innovative strategies, and community-led initiatives for the sustainable utilization and management of Animal Genetic Resources (AnGR). The symposium aligns with the national vision of Viksit Bharat@2047, emphasizing biodiversity conservation, climate resilience, farmer-centric approaches, and value addition of indigenous livestock resources.

### About the Society

The Society for Conservation of Domestic Animal Biodiversity (SOCDAB) was established in the year 1998 at National Bureau of Animal Genetic Resources (NBAGR), Karnal, Haryana, India with an objective to create awareness among general public about domestic animal diversity and their conservation, to undertake activities fostering sustainable management of domestic animals, judicious use of animal genetic resources and to promote research, education and development of domestic animals. The Society is publishing a research journal "Journal of Livestock Biodiversity" and organizing National Symposium annually.

### ABOUT ICAR-NBAGR, KARNAL

Established in 1984, ICAR-NBAGR is the national repository and nodal institute for the conservation, characterization, and sustainable utilization of indigenous farm animal genetic resources of India. The institute has played a pivotal role in the registration and documentation of native livestock breeds.

### National AnGR Quiz Competition

A National level quiz competition for undergraduate students of SVU/SAU will be held and prior to the National Quiz, four zonal quiz competitions will be held. The students will be quizzed on "Livestock Biodiversity of India and Its Conservation". The zonal winners (team of 2 students +1 mentor) shall be competing during the conference. Travel grant (Train fare AC-3 tier) for the Zonal winners (students only) to attend the National Symposium 2025 will be provided by the SOCDAB.

### TECHNICAL SESSIONS

#### 8 April, 2026

- **Session I:** Characterization and Sustainable Management of AnGR
  - **Session II:** Community-based and *Ex-situ* conservation strategies for AnGR
- Annual General Body Meeting* of SOCDAB will be conducted on the evening of 8 April, 2026.

#### 9 April, 2026

- **Session III:** Genomic and Bioinformatic Approaches for Genetic Diversity Assessment
- **Session IV:** Trait Characterization, Valorization, and Value Addition for enhanced AnGR management
- **Session V:** Policy Frameworks, Socio-economic Perspectives & Future Roadmap for conservation and sustainable utilization of AnGR
- **Session VI:** Young Scientist Award Session

### Call for Papers

The full length papers / abstracts are to be submitted to the Organising Secretary on or before 10 March, 2026. Full length papers should be limited to ten pages and abstracts to be limited to 300 words typed in 12 font size (Times New Roman) in 1.5 line spacing. ### TRAVEL AND ACCOMMODATION

Karnal, the land of legendary Danveer Karna, is an important agricultural research hub of Haryana and is well connected by road and rail. It is located on National Highway-44 (GT Road), about 125 km from New Delhi and 130 km from Chandigarh. Regular trains and bus services connect Karnal with major cities. The nearest airport is Indira Gandhi International Airport, New Delhi, approximately 150 km away. ICAR–NBAGR is situated on the GT Road Bypass, around 5 km from Karnal Railway Station, and is easily accessible by local transport.

During April, the weather in Karnal is generally warm and dry, with temperatures ranging from 25°C to 35°C. Limited accommodation will be available in ICAR Guest House / Institute facilities on a first-come, first-served basis. Participants may also arrange accommodation in nearby hotels and guest houses in Karnal. The Organizing Committee will assist in providing accommodation details upon prior request.
