

ICAR-NBAGR Pays Homage to Former Director Dr. S. P. S. Ahlawat

ICAR-NBAGR Director and the staff condole the sudden demise of Dr SPS Ahlawat on 10/04/2026. Dr Ahlawat serving at various positions in various institutes in ICAR strived hard to promote the indigenous animal genetic resources of the country. During his tenure as the Director of ICAR-NBAGR from 2003 to 2006 he led the institute to new heights. He was the force behind initiating the work on genetic characterization of the livestock and poultry of the country. While serving as the Director of the bureau he took initiatives in building new relations with the stakeholders of the AnGR of India, mainly farmers, state animal husbandry departments and ministries. During his tenure as president of the Society for Conservation of Domestic Animal Biodiversity he initiated organisation of the national symposium strengthening the association with the custodians of indigenous AnGR. His contribution to institute building is unparalleled. His death has left a big void in the field of indigenous AnGR management and entire Bureau family stands with the bereaved family of Dr Ahlawat and pray for eternal peace to the departed soul.

Om Shanti Om.
